## FILING INSTRUCTIONS

Broadcast station licensees are required to afford equal opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, national origin, and sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, a license renewal applicant who employs five or more full-time station employees must file a report of its activities to ensure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives, and Hispanics). If minority group representation in the available labor force is less than five percent (in the aggregate), equal employment opportunity (EEO) program information for minority group members need not be filed. However, EEO program information must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant employs fewer than five full-time employees, no equal employment opportunity activity information need be filed.

A copy of this report must be kept in the station's public file. These actions are required to obtain license renewal. Failure to meet these requirements may result in license renewal being delayed or denied. These requirements are contained in Section 73.2080 of the FCC Rules (47 CFR 73.2080), and are authorized by the Communications Act of 1934, as amended.

☒ If your station employs fewer than five full-time employees, check the box at left, complete the certification below, return the form to the FCC, and place a copy in your station's public file. You do not have to complete the rest of the form.

If your station employs five or more full-time employees, you must complete all of this form and follow all instructions.

☐ If minority group representation in the available labor force is less than 5 percent (in the aggregate) and you choose not to file EEO program information for minority groups, check the box at left and complete the rest of this form with only the information for your program directed towards women.

**CERTIFICATION**

My name is Shirley F. Capps. I am the President, a Director and the 100% stockholder of Red River Broadcasting, Inc., licensee of Station KMOA (AM), Kensett, Arkansas. Attached to this statement is an application (FCC Form 303-S) for renewal of license for Station KMOA.

I first became aware that a license renewal application had to be filed in 1989 for Station KMOA when the Manager of Station KMOA telephoned me, and he advised me that a representative of the Commission had telephoned the station, and he was advised during this telephone call, that a license renewal application had not been filed for Station KMOA. Our attorney in Washington, D.C. was then telephoned, and he began the preparation of the attached application.

We did not receive a Renewal of License Kit at Station KMOA. Had we received such a kit, we would have timely filed the renewal application.

Please accept and process the attached Form 303-S for Station KMOA. This statement is true and correct, and it is made under penalty of perjury.

Respectfully submitted,

### CERTIFICATION

My name is Shirley F. Capps. I am the President, a Director and the 100% stockholder of Red River Broadcasting, Inc., licensee of Station KMOA (AM), Kensett, Arkansas. Attached to this statement is an application (FCC Form 303-S) for renewal of license for Station KMOA.

I first became aware that a license renewal application had to be filed in 1989 for Station KMOA when the Manager of Station KMOA telephoned me, and he advised me that a representative of the Commission had telephoned the station, and he was advised during this telephone call, that a license renewal application had not been filed for Station KMOA. Our attorney in Washington, D.C. was then telephoned, and he began the preparation of the attached application.

We did not receive a Renewal of License Kit at Station KMOA. Had we received such a kit, we would have timely filed the renewal application.

Please accept and process the attached Form 303-S for Station KMOA. This statement is true and correct, and it is made under penalty of perjury.

Respectfully submitted,  
RED RIVER BROADCASTING, INC.
